## ATS Integrations

AIS' most advanced ATS  
Integration Hub

The AIS Integration Hub gives you direct access to a large number of ATS integrations with a quick configuration and rollout, bringing a competitive advantage to your background screening business.

Partner with AIS and integrate easily with the most popular Applicant Tracking Systems and avoid excessive start-up costs, lengthy wait-lists, or exclusive license requirements. We do the heavy lifting for you - from discovery calls to final testing. You will be thrilled you can connect to a CRA of your choosing and not a CRA dictated by your HRIS partner.

### Key Benefits
